

Request for Class II Permissive Change

FCC ID: VVAAD232011

Date: 2008-09-10

TO: Federal Communication Commission

Please be notified that we, the undersigned, GUANGDONG ALPHA ANIMATION AND CULTURE CO., LTD. declare that the reasons for this Class II permissive change are as below:

The report SZEMO080401241RFF(I) was an additional report copied from the report SZEMO071203739RFF(I), just changing the EUT name, item No. and adding 2 external photos. Since the electrical circuit design, layout, components used and internal wiring for the Items "LC232020, LC232030, LC232040" in the report SZEMO071203739RFF(I) were exactly the same as the Item "LC232050" in the report SZEMO080401241RFF(I), with little different of the Tx's colours.

And we want to exhibit the copy report to FCC website, so we need to do PCCII progress.

Thank you.

Sincerely.

William Wang
